SENIOR INTERIOR DESIGNER

Interior designer with 15+ years of experience creating high-end residential, hospitality, and lifestyle environments that enhance wellness, performance, and user experience. Skilled in FF&E; specification, finish schedules, AutoCAD drafting, and cross-functional collaboration from concept through installation. Adept at sourcing materials, managing budgets, and coordinating with architects, vendors, and contractors to deliver cohesive, brand-driven spaces.

PROFESSIONAL EXPERIENCE

Lux Pad Interiors — Principal Designer (2014–Present)

- Lead design and execution of residential and commercial interiors from concept through installation.
- Specify contract-grade FF&E; lighting, and finishes aligned with durability, code compliance, and elevated aesthetic standards.
- Produce AutoCAD drawings, finish schedules, and presentation boards to communicate design intent.
- Source furnishings and materials, managing pricing, lead times, procurement, and installation logistics.
- Design custom millwork and furniture, enhancing functionality and visual impact.
- Transform underutilized spaces into inviting, high-performance environments.
- Serve as primary client liaison, ensuring clear communication and exceptional client satisfaction.

EMC2 Interiors — Junior Designer (2012–2016)

- Supported high-end residential projects through all phases of design and installation.
- Collaborated with sales, manufacturing, and operations teams to resolve design and production challenges.
- Assisted with space planning, finish selections, and project documentation to maintain timelines and budgets.
- Conducted research and trend analysis to inform design solutions and material selections.

S.J. Harris & Company — Interior Designer / Assistant Project Manager (2011)

- Assisted in delivering hospitality environments from concept through completion.
- Designed contract-grade upholstered and casegoods furniture meeting performance standards.
- Coordinated with fabricators and vendors to support timely production and installation.
